

Annual Customer Do-Not-Call Notice

The Federal Communications Commission (FCC) and Federal Trade Commission (FTC) have established a national Do-Not-Call Registry that applies to all telemarketers (with the exception of certain non-profit and political organizations) and covers both interstate and intrastate telemarketing calls. Commercial telemarketers are not allowed to call you if your number is listed on the registry.

You may register your phone number free, and it will remain on the national Do-Not-Call Registry for five years. You may re-enter your number onto the list when the five years have passed, and you may remove your name from the list at any time.

The Do-Not-Call Registry will not prevent all unwanted calls. It does not cover the following:

- calls from organizations with which you have established a business relationship
- calls for which you have given prior written consent

- calls which are not commercial or do not include unsolicited advertisements
- calls by or on behalf of tax-exempt non-profit organizations

Consumers may register their residential telephone number, including wireless cellular numbers, on the national Do-Not-Call Registry at no cost by telephone or on the Internet.

To register by telephone, consumers may call
1-888-382-1222.

For the hearing impaired, TTY call
1-866-290-4236.

You must call from the phone number you wish to register. You may also register by Internet at www.donotcall.gov. Inclusion of your telephone number on the national Do-Not-Call Registry will be effective three months following your registration.

Get More Sports

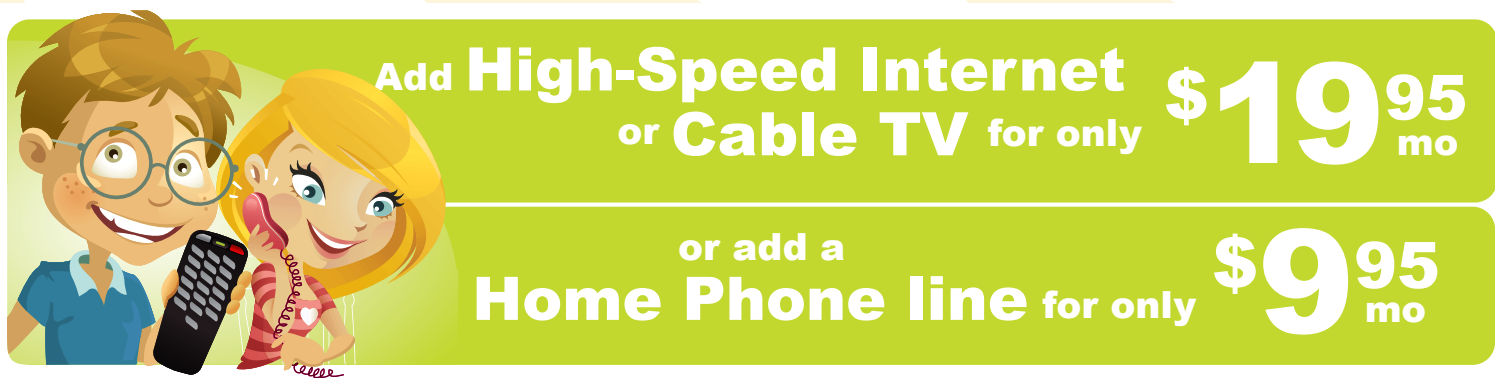

NVC has added three Special Events channels recently on channels 63-65.* These channels will carry state sporting events as they are available.

South Dakota Public Broadcasting (SDPB) and SDN Communications are continuing their partnership to give TV viewers in many South Dakota communities the chance to watch more high school sporting events this year. Similar to the state basketball tournaments being televised to SDN companies like

NVC last year, customers of these companies will be able to watch all classes of several state tournaments. In November the cheer and dance competition aired. Wrestling will air on February 19-20, girls basketball on March 11-13 and boys basketball on March 18-20.

NVC will let customers know when the events become available.

**Some restrictions apply. Please contact NVC for more details.*
